

2023 Floral Bunting Stitch Along

June - Lovely Lavender

Flowers:

Use #155 and #30 to make lazy-daisy stitches (2 s.). Use the colours in a random order. I used 2 strands of the same shade at a time, but you could also use one strand of each for all the flower buds.

Stems:

#3347 (1 s.), stem stitch

Leaves:

#3347 (1 s.), fill with split stitch / loose long & short stitch

*s. = number of floss strands to use.
