Flower cup:

Work a split stitch outline with 1 s. #3865, then fill with satin stitch.

Stem:

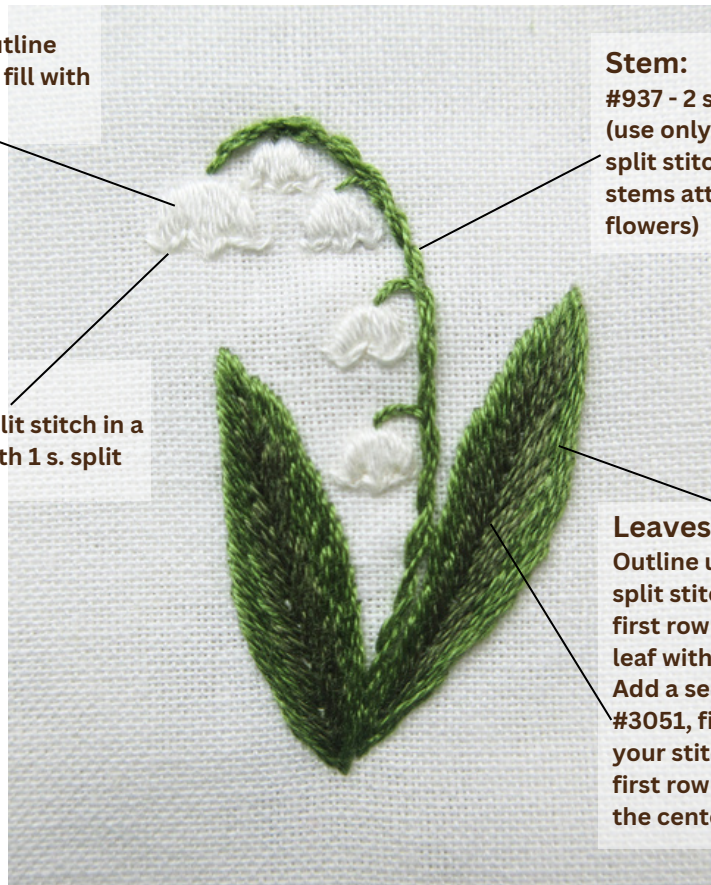

#937 - 2 s. stem stitch (use only 1 strand and split stitch for the smaller stems attached to the flowers)

Petal edge:

Work a line of split stitch in a bit of a zigzag with 1 s. split stitch.

Leaves:

Outline using 1 s. #937 and split stitch, and then work a first row all around the the leaf with long & short stitch. Add a second row with 1. #3051, filling the leaf. Start your stitches through the first row and end them along the center vein.

*s. = number of floss strands to use.
