

# 2023 Floral Bunting Stitch Along

## September - Feathery Asters

### Petals:

Work straight stitches with #3865 (1 s.) and #27 (1 s.). I added a few lazy-daisy stitches with 2 strands (1 s. #3865 and 1 s. #27) to some of the flowers, but that's up to you! I think I prefer it without, they look more feathery with just straight stitches.

### Stem:

#3346 (1 s.) stem stitch

### Flower Center:

#17 (1 s), French knots (wrap 2 times around the needle). For the darker centers, use #782.

### Small Leaves:

#3346 (1 s.), lazy-daisy stitch

### Bigger Leaves:

#3346 (1 s.), fill with adjacent rows of split stitch.

\*s. = number of floss strands to use.
